

# “LITTLE BAVARIA” FRANKENMUTH, MI

## MAY 21-22, 2024

Frankenmuth is more than just shopping.  
Enjoy a two-day Spring Getaway to **Little Bavaria**. No passport needed.

Travel North with a visit to the **Turner Dodge House** in Lansing, MI. The house is a large Georgian Revival built in 1858 for James and Marion Turner and later expanded by their daughter Abigail Turner-Dodge and her husband Frank Dodge. The home is a three-story central section flanked by 2½-story wings. Enjoy a **Mid-morning Tea**. On to Frankenmuth, “*Willkommen*”, for an afternoon at the **Frankenmuth Clock Company**,

the foremost importer of authentic German products, including Black Forest Cuckoo Clocks. A fabulous relaxing narrated tour of Frankenmuth on the Cass River aboard an authentic **paddlewheel riverboat**, the **Bavarian Belle**. A chance to see and hear the **Glockenspiel**. We’ll check in at the **Bavarian Inn Lodge** with European-themed guestrooms for our

night’s stay. Experience a special **Willkommen dinner** with live music and delicious cuisine. A singing of the German “Schnitzelbank Song” too. **Day 2:** An all you can eat German Breakfast Buffet to start your day. A **guided driving city tour** with a stop at the **St. Lorenz Lutheran Church**. We’ll have fun rolling out our own **German Pretzel**. Some shopping time in the ultra-

walkable shopping district dotted by Bavarian architecture, at the Castle Shops, The Cheese Haus, & more. Enjoy an all you can eat **Family Style Lunch** of Frankenmuth’s **Famous Chicken**. Chickens arrive fresh to Bavarian Inn and are steamed for up to an hour. The chickens are cooled rapidly in a quick chill freezer, and expertly cut using a bandsaw. They are then covered in a homemade egg wash, and flour and cracker meal. The cooked chicken only spends three minutes in the fryer, making it nice and crispy, but still tender on the inside! Hmm Hmm!! A visit to Frankenmuth is not complete without a stop at the World’s Largest Christmas Store, **Bronners**. A Magical Place.
